

MEDIA GUIDE

WELCOME TO THE FIS ALPINE WORLD SKI CHAMPIONSHIPS CRANS-MONTANA 2027

11.11.2026

Crans-Montana and the Valais will once again become the epicentre of world skiing. Forty years after the memorable 1987 World Championships, the world's best skiers will return to the legendary Mont Lachaux and Nationale slopes to compete for the coveted titles of World Champion.

Over two weeks of competition, 11 events will bring together the best athletes from every nation and offer an exceptional spectacle for ski enthusiasts and the general public alike. Set in a unique Alpine landscape in the heart of the Valais, Crans-Montana is preparing to write a new chapter in its sporting history.

The Organising Committee would like to thank you for your interest in this major event. This media guide brings together all the essential information about the services available to support your work and make your stay in Crans-Montana as smooth as possible.

Please note that some information is still subject to change. Should you have any specific questions, please do not hesitate to contact us.

We look forward to welcoming you soon and sharing these World Championships with you.

Event areas

Barzettes Stadium

Barzettes Stadium is the finish area for the World Championships. It offers excellent views of the competitions and allows spectators to experience all the intensity of the races close to the athletes. Access is restricted to pedestrians holding a valid grandstand ticket.

Barzettes Village

Located next to the grandstands, in the heart of the finish area, Barzettes Village adds to the World Championships experience. After watching the races, visitors can enjoy food stands in a festive atmosphere. Access to Barzettes Village is also restricted to visitors holding a valid event ticket.

Vermala Area

Located where the two slopes meet, above the finish wall, the Vermala Area offers exceptional views of the competitions and the finish stadium. Spectators can watch the races live from the area or on the giant screen. Food and drinks are also available on site. Access is restricted to pedestrians holding a valid event ticket. A shuttle bus runs regularly between the Vermala Area, Ycoor Fan zone and Sierre.

Vermala Fan zone

Located on the terrace of the Cervin restaurant, just a short distance from Vermala, this official après-ski venue invites spectators to keep the race-day atmosphere going in a festive setting. The programme includes DJs, live screenings and a bar, bringing together the best moments of the day. Open daily and accessible without an event ticket. The restaurant serves lunch and dinner on site. Music will run from 12:00 to 18:00.

2006 Area by Rivella

Located alongside the Mont Lachaux slope, the 2006 Area offers an exceptional setting in the heart of the ski area, with unique panoramic views of the Alps and the competitions. This official venue is reserved exclusively for skiers holding a valid ski pass. It offers a convivial atmosphere in which to follow the full races on a giant screen, with a speaker and music from DJs. Food and drinks are also available on site.
A ticket is required on 4, 6 and 11 February. On all other days, admission is free. The area is open daily from 10:00 to 16:00.

Houlès Area

Located directly alongside the men’s speed-event course, the Houlès Area offers an immersive experience at the heart of the competition, in an exceptional Alpine setting. Reserved for skiers holding a valid ski pass, it allows spectators to experience the races close to the action while following them on a giant screen, with a speaker and a DJ. Food and drinks are also available on site. Open only on 5, 7 and 12 February. A valid event ticket is required for entry.

Ycoor Fan zone

Located in the heart of Crans-Montana, Ycoor Fan zone is the main meeting point for the World Championships. Open to everyone and free of charge, it offers a lively atmosphere during and after the races.

Throughout the day, competitions are broadcast live on giant screens, alongside a variety of activities. The Fan zone also features several food and drink stands, as well as sponsor stands offering interactive activities and games. The CM27 fan shop and a dedicated children's area complete the offering.

From 16:00, Medal Plaza comes alive with outstanding live music. From 18:30, it hosts the official medal ceremonies (1 February, 4-7 February and 9-13 February), as well as the bib draws (3-4 February and 10-11 February). Ycoor Fan zone becomes a central gathering place for athletes, supporters and visitors alike. Live music continues until 22:00. On Saturday 6, Tuesday 9 and Saturday 13 February, the Fan zone will exceptionally remain open until midnight, with DJs.

Opening hours: from 10:00 during the first week and from 09:00 during the second week.

Please note that on Sunday, 14 February, the closing ceremony and the men's slalom medal ceremony will exceptionally take place in the finish area after the race.

Party Tent

Located on Place de la Poste in Crans-Montana, the Party Tent marks the entrance to the Ycoor Fan zone and welcomes visitors as they arrive in the heart of the festivities. Open free of charge, this covered venue is a meeting place throughout the event, with continuous festivities and DJs throughout the day. Open from 11:00 to midnight.

Curling Club by Rivella

Located in Ycoor, the Curling Club will become an indoor party venue during the World Championships. Open free of charge to visitors aged 18 and over, it will offer an electro music programme, with DJs every evening. Open from 19:00 to 02:00.

House of Switzerland

Located in Jardins d'Ycoor, the House of Switzerland by Swiss-Ski is one of the must-visit meeting place away from the competition slopes. Fans, athletes, partners, media representatives and guests from around the world will come together to experience the sporting highlights and celebrate success, in an atmosphere dedicated entirely to snow sports and Swiss hospitality.

If you have any questions, please do not hesitate to contact the HoS team: houseofswitzerland@swiss-ski.ch.

The Music Hall (Le Régent)
During the two weeks of the World Championships, Crans-Montana will come alive not only with Alpine skiing but also with music and live performances. Five exceptional nights will take place in the Music Hall, of which International icon Barbara Hendricks, comedian and showman Anthony Kavanagh, the Brass Band Valaisia and the Chœur des Collèges du Valais romand will perform as part of a concert series at the main hall of the Congress Centre Le Régent. This ticketed programme will conclude with a more festive evening featuring some of the biggest names in Schlager music.

Discover the programme and buy tickets on our website: www.cransmontana2027.ch/en/ticketing/the-music-hall

Crans Fan zone
The Crans Fan zone extends the World Championships experience beyond the competition venues. Competitions and ceremonies are broadcast live on giant screens in a lively, welcoming atmosphere, with a selection of food and drinks available to everyone.
Opening dates: 4–14 February 2027

Sierre Fan zone
Located at the heart of the event's mobility hub, the Sierre Fan zone welcomes spectators as they arrive in the valley, particularly in the morning, with coffee and croissants. Open on every race day, it also broadcasts competitions and ceremonies live on giant screens. Food and drink options, along with live concerts, add to the atmosphere.

Detailed programme information is available on our website: Festival | Crans Montana 2027

Media activities

Media apéritif
All accredited media representatives are invited to celebrate the World Championships at a media apéritif on Wednesday, 3 February, in the late afternoon.

Leisure activities in Crans-Montana, in collaboration with the Tourist Office
A catalogue of activities offering media representatives the opportunity to discover Crans-Montana will be available at the main media centre.

Accreditation

All accreditation applications must be submitted via the accreditation application form by 15 December 2026. Late applications and changes submitted after the form closes cannot be guaranteed and will be considered subject to available capacity.

If your accreditation application is approved, you must activate your accreditation during media check-in at the entrance to the main media centre, located at the Crans-Montana Sports Centre.

Opening hours and access are detailed below in the section “Main media centre – Moubra”.

The media accreditation pass grants access to the Moubra media centre and the finish area, with a limited number of access passes per media organisation. Additional access areas may be allocated depending on operational needs and available capacity.

Accommodation

If you have been unable to find suitable accommodation, you can contact the accommodation team at media.accommodation@cransmontana2027.ch.

Please note, however, that accommodation options in Crans-Montana are very limited during the event, and the team’s ability to help is therefore limited.

Main media centre – Moubra

The main media centre is located at the Crans-Montana Sports Centre, next to the Moubra lake. It brings together all media services, including accreditation, workspaces and the cafeteria.

Address

Crans Montana Sports Center
Route de la Moubra 73
3963 Crans-Montana

Opening hours

22 – 28 January 2027	08:00 – 18:00 *(IBC set-up only, media services not available yet)*

Saturday 6 February	06:30 – 20:00	Saturday 13 February	06:30 – 20:00
Sunday 7 February	06:30 – 20:00	Sunday 14 February	06:30 – 20:00

Workspaces

The media centre workspace area has approximately 200 workstations. Each is equipped with Type Y power sockets, which are compatible with Type C Europlug plugs.

Lockers

There will be 90 lockers available at the media centre. Media representatives can enquire at reception if they have any questions or wish to use one.

Internet

The media centre offers high-speed Wi-Fi. The password is available at the media reception desk.

Vitrual media centre

An online portal, accessible only via a link provided to accredited media representatives, brings together all media content relating to the event. This includes general race information, media-specific updates, a daily selection of freely accessible high-resolution photos, news, press releases, useful links and more.

The access link will be provided at reception or can be requested by emailing media@cransmontana2027.ch.

Freely accessible photos

Agence Zoom will provide media representatives with a large selection of photos available for use without a licence fee. The link to this platform will be available to all accredited media representatives.

WhatsApp group

A real-time information service will be provided via a WhatsApp group, keeping you up to date with any programme changes, media events and key developments during the races. You can join the group directly at the media reception desk.

Catering

In addition to the workspaces, the media centre has a cafeteria and areas for relaxing. Located near the entrance, the cafeteria is bright and spacious, with seating for around 100 people. It is accessible throughout the day, during the same opening hours as the main media centre.

Water and other non-alcoholic drinks, coffee, tea and a selection of snacks are available free of charge on a self-service basis throughout the day.

Sandwiches and soup are available to purchase at any time. Between 11:00 and 17:00, you can also enjoy a salad bar and a choice of two hot daily menus, including a vegetarian option, at affordable prices.

The bar within the cafeteria also sells a selection of local alcoholic beverages, including Valaisanne beer and Provins' Fendant Pierrafeu CM27 wine.

All paid items must be settled directly at the counter. Payment is accepted by debit or credit card (VISA, MasterCard, Vpay and Maestro) and TWINT only. Cash payments are not accepted.

Parking

A limited number of parking spaces will be reserved for media representatives in Crans-Montana. If these are not located close to the main media centre, shuttle services will connect the car parks with the media centre and then the finish stadium.

Parking passes are not guaranteed and will be allocated by the media team and handed out during check-in. Private vehicles are not permitted to access the stadium.

Please note that all car parks must be vacated every evening to allow snow-clearing operations.

Ski storage

There is no secure ski storage facility at the Moubra media centre; only ski racks are available outside the building. The secure ski storage facility is located exclusively at Barzettes, near the Violettes gondola lift.

Further information will be provided at reception or upon request via media@cransmontana2027.ch.

Press conferences

The Organising Committee's pre-event press conference will take place at the main media centre on Sunday, 31 January 2027, at 14:00.

All post-race press conferences will be held at the sub media centre, in the finish building (restricted access). They will also be streamed on screens at the Moubra media centre, where media representatives will have the opportunity to ask questions.

Sub media centre – Finish area building

The sub media centre is located on the first and second floors of the Barzettes Stadium finish building. It allows selected media representatives to access basic services – workstations, Wi-Fi and light catering – close to the competition slopes.

Address

Barzettes Stadium finish builing (first and second floors)
Impasse de la Nationale
3963 Crans-Montana

Opening hours

1 – 7 February 2027 and 9 – 14 February 2027
06:30 – 17:00

Monday, 8 February 2027 is a reserve day. The sub media centre will open only if a race or training session is ultimately scheduled for that day.

Access

Please note that access to the sub media centre is restricted to media representatives pre-selected by the media team. Access cannot be guaranteed, as capacity is limited.

Workspaces

The sub media centre workspace area is located on the second floor of the finish building and has approximately 100 workstations. Each is equipped with Type Y power sockets, which are compatible with Type C Europlug plugs.

Lockers

No lockers will be available at the sub media centre.

Internet
The sub media centre offers high-speed Wi-Fi. The password will be available on site.

Catering
The sub media centre cafeteria is located on the first floor of the finish building. Designed to provide a comfortable space for both working and networking, it offers seated areas as well as high tables for a quick meal.

Croissants, sandwiches and soup will be available to purchase throughout the day, with payment directly at the counter.

Please note that only debit and credit cards (VISA, MasterCard, Vpay and Maestro) and TWINT will be accepted. Cash payments will not be accepted.

Free drinks, including coffee, tea and non-alcoholic beverages, will be available on a self-service basis.

Parking
Private vehicles are not permitted to access the stadium.

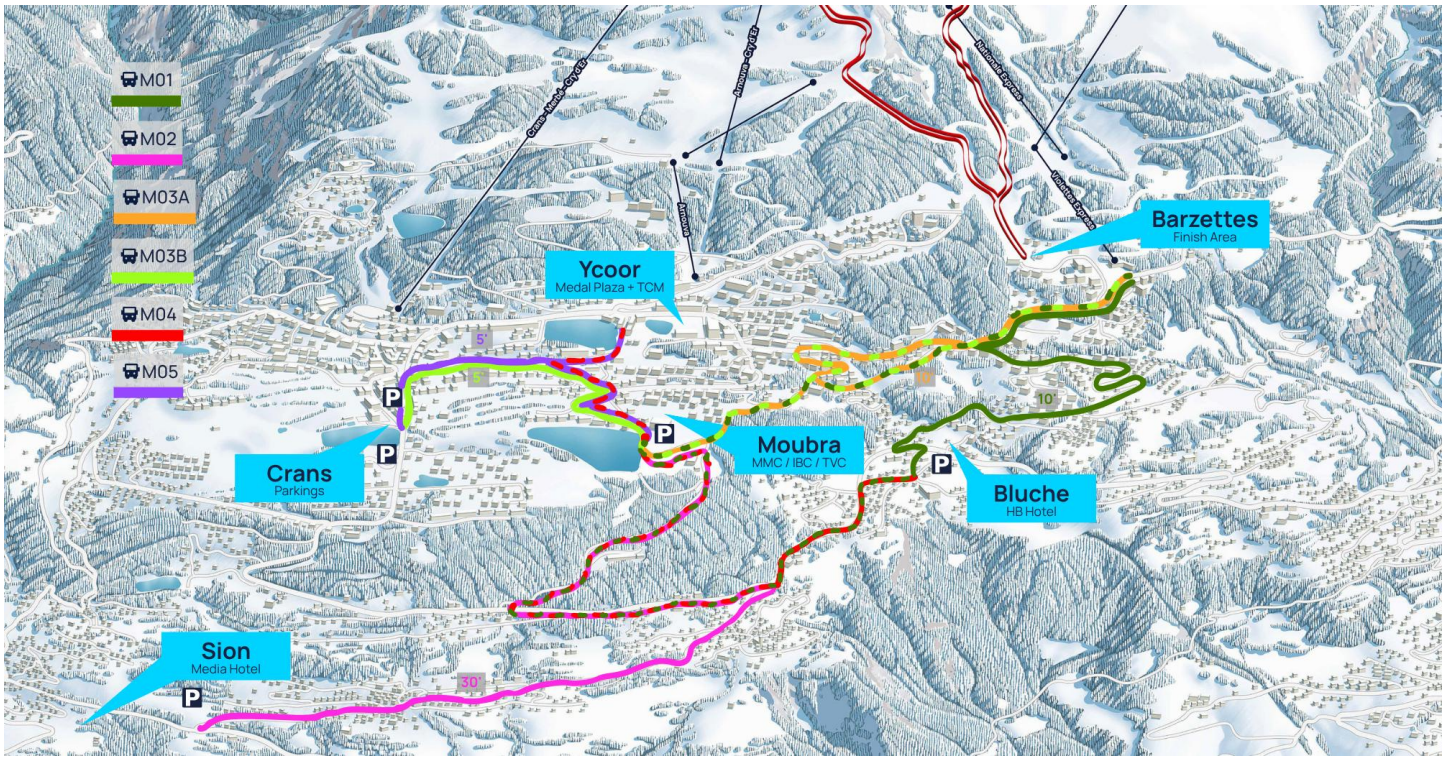

Ski storage
There is no secure ski storage facility at the sub media centre; only ski racks are available at the foot of the building. The secure ski storage facility is located exclusively at Barzettes, near the Violettes gondola lift.

Further information will be provided at reception or upon request via media@cransmontana2027.ch

Press conferences
Post-race press conferences will take place on the second floor of the finish building. The three medallists from each race will be available at the sub media centre after the official winners' presentation to answer media questions.

Shuttle services

A free media shuttle service will connect the event's main locations. In addition, media representatives will benefit from free travel throughout the Valais rail network and on bus and funicular services connecting Crans-Montana with Sierre and Sion for the duration of the World Championships.

Sion (hotels)
Every morning, three departures will run from the media hotels in Sion to Barzettes Stadium, via the main media centre.

M02 Sion – Moubra – Barzettes (fixed timetable)

Photographers

Briefing

A mandatory briefing for all photographers is scheduled at the main media centre (Route de la Moubra 73, 3963 Crans-Montana) on Sunday, 31 January, at 18:30. All essential information for photographers will be provided during this meeting.

Brassards

Photographers selected by the photography managers can collect their bib during check-in at the main media centre, against a CHF 50 deposit. Photographers must wear their numbered bib at all times to access the course. The bib must be returned to one of the two media centres at the end of the races.

In the event of non-compliance with the photographers' regulations, available on the FIS website, the race organisers reserve the right to withdraw the bib from the photographer concerned. A serious breach may also result in accreditation being withdrawn.

Photo contest

A photo contest exclusively for accredited photographers invites participants to capture the atmosphere and emotions of the Crans-Montana 2027 World Championships.

Full details of the contest will be provided during the photographers' briefing at the main media centre (Route de la Moubra 73, 3963 Crans-Montana) on Sunday, 31 January, at 18:30.

Contacts

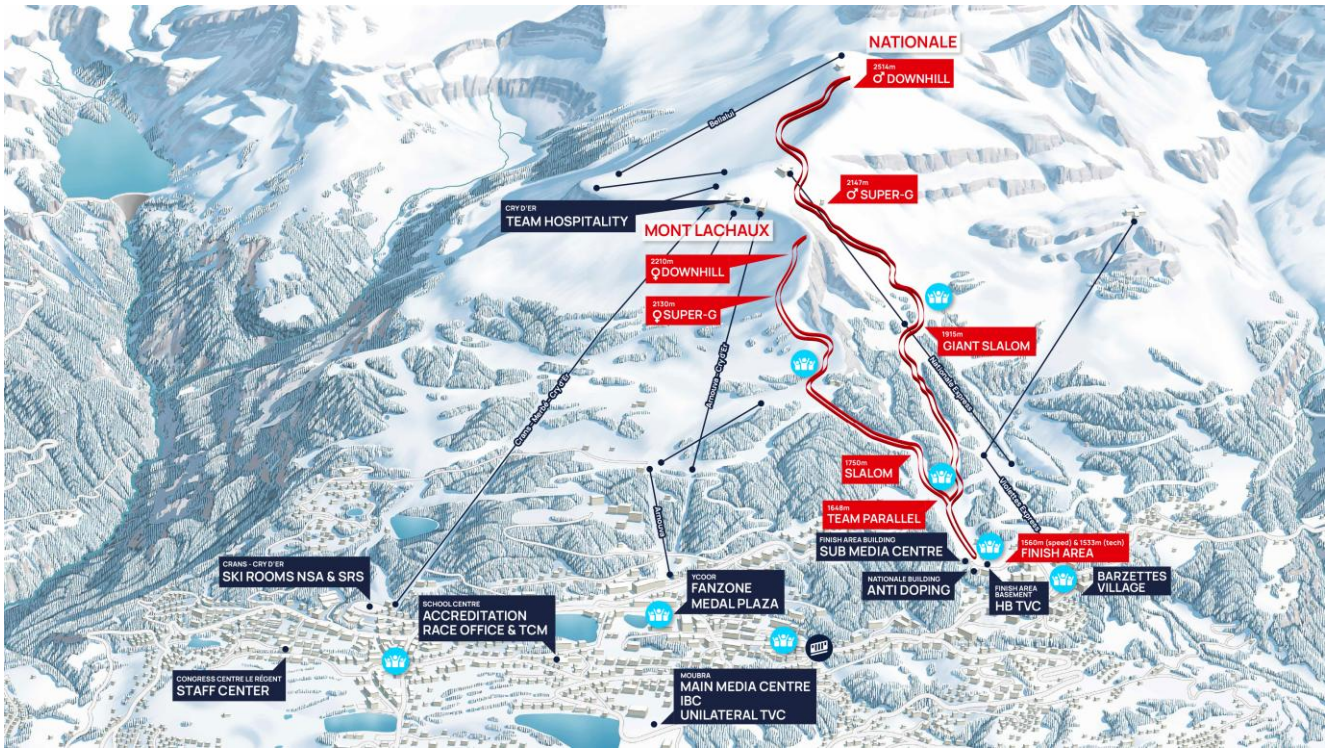

If you have any questions, the photography coordinators will be happy to assist you.

Getting to Crans-Montana

Plan your journey to the World Championships in advance. Due to the expected crowds and the specific traffic arrangements in place, journey times may be longer than usual.

As the number of parking passes reserved for media representatives is limited, a pass cannot be guaranteed for everyone. Travelling to Crans-Montana by public transport is therefore strongly recommended, particularly as services from Sierre to Crans-Montana will be enhanced and free of charge, and a shuttle service reserved for media representatives will operate within the resort.

Find all travel options for getting to Crans-Montana on the Tourist Office website: [Crans-Montana: Getting to Crans-Montana]

Sustainability

Our vision

At Crans-Montana 2027, we are convinced that our event will leave a lasting mark on the region and inspire enthusiasm for winter sports.

We aim to:

- Inspire young people to take up winter sports.
- Build a strong and sustainable future for our region.
- Strengthen social cohesion through powerful shared emotions.

This vision forms the foundation of our sustainability strategy. The strategy is based on the ISO 20121:2024 standard and takes into account the environmental, social, economic and governance dimensions of sustainability.

Our objectives

We integrate all four dimensions of sustainability across every area of the event and into our long-term legacy initiatives. In doing so, we encourage innovative ideas and create a positive legacy.

- Environment: We are reducing the carbon footprint of Crans-Montana 2027, protecting nature and using resources sustainably. Regional products, local partners, resource-efficient waste management and circular solutions will help ensure an environmentally responsible event.
- Social: We promote diversity, inclusion and accessibility in snow sports and enable broad participation in Crans-Montana 2027. Together, we strengthen social cohesion and create an emotionally engaging celebration of skiing for the Valais, Switzerland and the world.
- Economy & governance: We strengthen regional value creation, promote local specialities and cultural experiences, and encourage the involvement of regional SMEs. We act ethically and in compliance with applicable rules, while ensuring transparency regarding the event's environmental, social and economic impacts.
- Legacy: The World Championships in Crans-Montana will create lasting added value. They will promote snow sports, Alpine skiing and sustainable events. At the same time, they will strengthen Crans-Montana as a tourist destination and inspire the next generation to take up snow sports.

Sustainability report

We monitor, assess and publish the event's environmental, social and economic impacts. We measure our ecological footprint using the FIS CO_2 calculator. The analysis of regional value creation is carried out by aiSTS Sport Management and Technology.

Further information is available on our website: Sustainability | Crans Montana 2027.
